

## Navigating the Australian Official Journal of Designs (Trove)

To access and navigate the Australian Official Journal of Designs (Trove):

1. Open Australian official journal of designs at [nla.gov.au](http://nla.gov.au).
2. Select the '*Browse this collection*' button (the most recent publications are located in the later sets).
3. To view a journal, click the down arrow in the drop-down box.
4. Select the set number range to nominate a journal. For example, the August 2024 journal publication is located in "Set 181 – 200".
5. Select the GO button.

**Important:** The latest edition of the journal will be shown which includes the IP Australia logo. The latest edition will be next to an older image which contains a warning symbol and the words '*No preview available*'. The edition with no preview available is an older edition.
